MERCHANDISING SOLUTIONS (OVERVIEW)

HAND LABELER

METO EAGLE / METO ProLine tools	6 – 19
METO dispenser	20 – 21
METO paginating tools	22 – 23
METO alpha / Fixprint tools	24 – 25
METO consumables/ink rolls	26 – 27

LABELS

METO standard label formats	28 – 30
METO special label formats	31 – 32
METO label colors	33
METO adhesives	34
METO cuts and perforations	35

PRICE CASSETTES/PRICE DISPLAYS

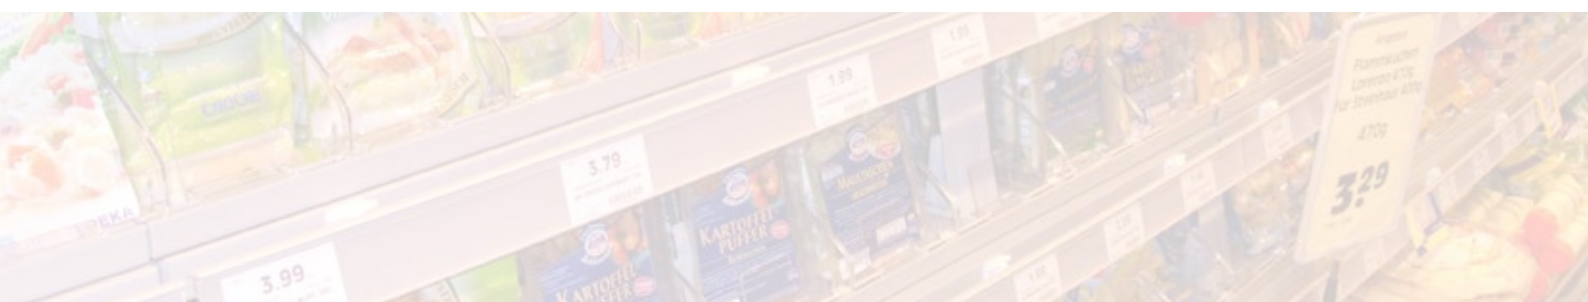

Price cassette PromoSign	
– fruit & vegetables	49
– accessories PromoSign fruit & vegetables	50 – 52
– service counter	52 – 54
PromoSign/PromoLabel cassettes	
– beverage department	55 – 56
– accessories beverage department	56 – 57
Price cassette PromoLabel	
– service counter & shelf	58 – 59
PromoDisplay	60
– accessories PromoSign/PromoLabel	61 – 63
Price cards & fixings	64 – 66

FIXING SOLUTIONS

DecoLine suspension tube	67
– accessories DecoLine suspension tube	68 – 69
Suspension rail	70
– accessories suspension rail	70
PosterLine	71
– accessories PosterLine	71
Ceiling fixtures	72 – 75

SHELF PRESENTATION SOLUTIONS

Shelf presentation system Optisell 1	99 – 101
Shelf presentation system Optisell 2	101 – 104
– accessories shelf presentation systems	105 – 106
Order entry profiles	107
Shelf edge profiles	108
– accessories profiles	109

CUSTOMER FLOW MANAGEMENT

Turn-O-Matic Classic & accessories	37 – 41
TOM touch+ & accessories	42 – 43
HappyOrNot	44 – 45

FASTENERS AND ACCESSORIES

Fasteners & accessories	46 – 47
-------------------------	---------

FRAMING SOLUTIONS

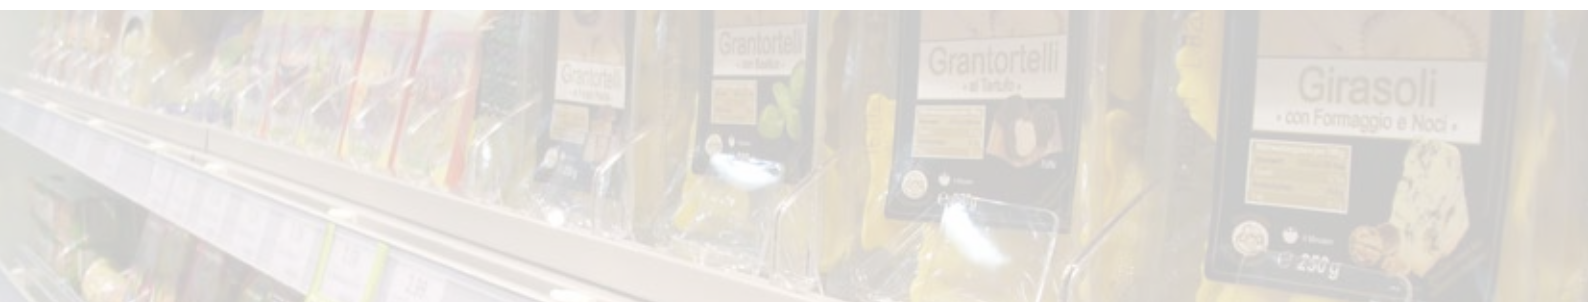

Plastic frames	76
– accessories plastic frames	77 – 82
Frame stands	83
– accessories frame stands	84 – 85
List holders	86
Transparent poster covers	87 – 88
Plastic poster cover	88
Aluminium snap frames	89
Pavement stands	90 – 91
Replacement cover foils	92

CREATIVE DISPLAY SOLUTIONS

Perforated label sheets	93
Poster paper / Carton	94
Chalk boards	94
Writing kits / Ink	95 – 97

SHOPPING CONVENIENCE

Shopping baskets	98
------------------	----

ABOUT METO

EXCELLENT MERCHANDISE IDENTIFICATION AND LABELING METO – A STRONG BRAND

Innovation is all part of our company traditions. Products bearing the METO brand name have been available since 1918. The first handlabeler from the company revolutionised pricing operations in 1959. This marked the first in a long line of products which were to have a lasting influence on the market. In 2016 METO became a business unit of CCL Industries Inc. The brand name has been retained and continues to stand for the familiar high standard of quality. As an internationally operative group we are a global leader in labeling, identification and sales promotion systems.

We offer integrated system solutions and firstclass services for a smooth flow of goods throughout the supply chain.

We are a competent partner to retail, industry and the service sector.

HAND LABELING SOLUTIONS

INTELLIGENT TECHNOLOGY IN EACH TOOL – FOR ALL DEMANDS THE RIGHT LABEL

Trust our experience of more than 55 years. We offer the right hand labeler for every need e.g. industry-specific marking solutions, as for the sterilisation of medical equipment, the weatherproof outdoor marking or labeling in industrial production.

HAND LABELER

METO EAGLE S

Example: tool print / preprint

EAGLE S 622

6 digits for coding or price marking
Label format: 22 x 12 mm

Height of the digits: 3.0 / 5.0 mm
Height of preprint: 4.0 mm

Art. no.: 9391212

Quantity per unit: 1

Example: tool print / preprint

EAGLE S 526

5 digits for price marking
Label format: 26 x 12 mm

Height of the digits: 5.0 mm
Height of preprint: 4.0 mm

Art. no.: 9391836

Quantity per unit: 1

EAGLE S 626

6 digits for price marking
Label format: 26 x 12 /
26 x 16 mm

Height of the digits: 5.0 mm
Height of preprint: 4.0 or 4.0 / 2.0 mm

Art. no.: 9391200 transport 26 x 12 mm

Quantity per unit: 1

Art. no.: 9391840 transport 26 x 16 mm

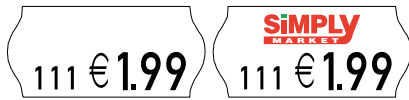

Quantity per unit: 1

Examples: tool print / preprint

Our handlabeler are also available with other currency signs and in individual device combinations.

METO EAGLE S

Example: tool print / preprint

EAGLE S 726

7 digits for coding and price marking
Label format: 26 x 12 mm

Height of the digits: 3.0 / 5.0 mm
Height of preprint: 4.0 mm

Art. no.: 9391837

Quantity per unit: 1

Example: tool print / preprint

EAGLE S 826 3/5

8 digits for coding and price marking
Label format: 26 x 12 mm

Height of the digits: 3.0 / 5.0 mm
Height of preprint: 4.0 mm

Art. no.: 9391208

Quantity per unit: 1

Example: tool print / preprint

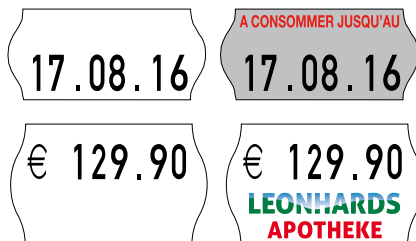

EAGLE S 826 4/4

8 digits for coding and price marking
Label format: 26 x 12 mm

Height of the digits: 3.0 / 5.0 mm
Height of preprint: 4.0 mm

Art. no.: 9391838

Quantity per unit: 1

Examples: tool print / preprint

EAGLE S 826 8 x 5

8 digits for coding, date coding or price marking
Label format: 26 x 12 /
26 x 16 mm

Height of the digits: 5.0 mm
Height of preprint: 4.0 or 4.0 / 2.0 mm

Art. no.: 9391209 transport 26 x 12 mm

Quantity per unit: 1

Art. no.: 9391841 transport 26 x 16 mm

Quantity per unit: 1

Example: tool print / preprint

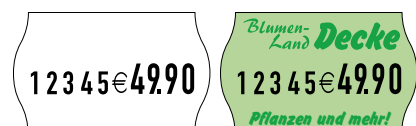

EAGLE S 1026 10 x 4

10 digits for coding, date coding or price marking
Label format: 26 x 12 mm

Height of the digits: 4.3 mm
Height of preprint: 4.0 mm

Art. no.: 9391839

Quantity per unit: 1

Example: tool print / preprint

EAGLE S 1026 5/5

10 digits for coding and price marking
Label format: 26 x 16 mm

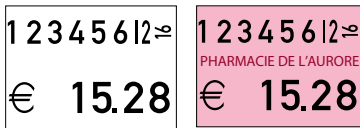

Height of the digits: 3.0 / 4.3 mm
Height of preprint: 4.0 / 2.0 mm

Art. no.: 9391842

Quantity per unit: 1

METO EAGLE M

Example: tool print / preprint

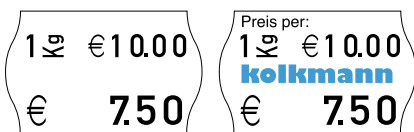

EAGLE M 1426 8/6

14 (8/6) digits for coding and price marking
Label format: 21.6 x 16, 26 x 16 mm

Height of the digits: UL*: 3.0 mm, LL**: 4.0 mm
Height of preprint: 2.7 mm

Art. no.: 9391815

Quantity per unit: 1

Example: tool print / preprint

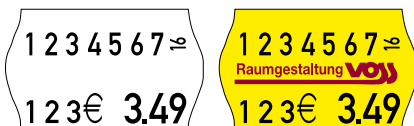

EAGLE M 1426 UPM***

14 (8/6) digits for price marking and basic price (unit price marking)
Label format: 21.6 x 16, 26 x 16 mm

Height of the digits: UL: 3.0 mm, LL: 3.0 / 4.3 mm
Height of preprint: 1.0 / 2.7 mm

Art. no.: 9391816

Quantity per unit: 1

Example: tool print / preprint

EAGLE M 1626 8/8

16 (8/8) digits for coding and price marking
Label format: 21.6 x 16, 26 x 16 mm

Height of the digits: UL: 3.0 mm, LL: 3.0 / 4.3 mm
Height of preprint: 2.7 mm

Art. no.: 9391703

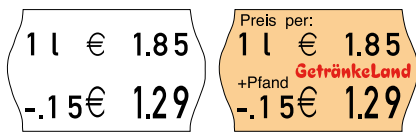

Quantity per unit: 1

*UL: upper line

**LL: lower line

***UPM = Unit price marking

METO EAGLE M

Example: tool print / preprint

EAGLE M 1626 UPM

16 (8/8) digits for coding, price marking and basic price (unit price marking)

Label format: 21.6 x 16,
26 x 16 mm

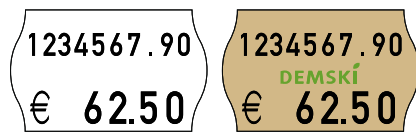

Height of the digits: UL: 3.0 mm,

LL: 3.0 / 4.3 mm

Height of preprint: 1.0 / 2.7 mm

Art. no.: 9391705

Quantity per unit: 1

Example: tool print / preprint

EAGLE M 1626 10/6

16 (10/6) digits for coding and price marking

Label format: 21.6 x 16,
26 x 16 mm

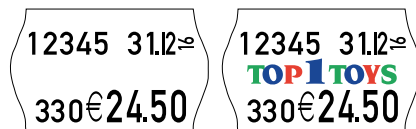

Height of the digits: UL: 3.0 mm

LL: 4.0 mm

Height of preprint: 1.0 / 2.7 mm

Art. no.: 9391843

Quantity per unit: 1

Example: tool print / preprint

EAGLE M 1826 10/8

18 (10/8) digits for coding, date coding and price marking

Label format: 21.6 x 16,
26 x 16 mm

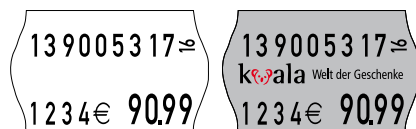

Height of the digits: UL: 3.0 mm

LL: 3.0 / 4.3 mm

Height of preprint: 1.0 / 2.7 mm

Art. no.: 9391844

Quantity per unit: 1

Example: tool print / preprint

EAGLE M 2026

20 (10/10) digits for coding, date coding and price marking

Label format: 21.6 x 16,
26 x 16 mm

Height of the digits: UL: 3.0 mm

LL: 3.0 / 4.3 mm

Height of preprint: 2.7 mm

Art. no.: 9391845

Quantity per unit: 1

Our handlabeler are also available with other currency signs and in individual device combinations.

DENNER EXPRESS

Example: tool print / preprint

EAGLE L 1832 IP**

18 (12/6) digits for coding and price marking

Label format: 25 x 19, 32 x 19 mm

Height of the digits: UL: 3.0 mm

LL: 5.7 mm

Height of preprint: 1.5 / 4.0 mm

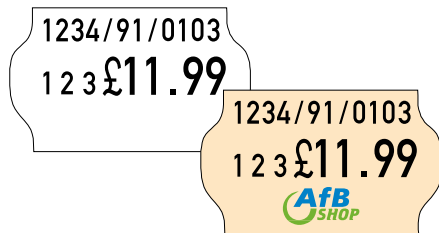

Art. no.: 9471361

Quantity per unit: 1

*CP = Consecutive printing

**IP = Immediate printing

METO EAGLE L

Example: tool print / preprint

EAGLE L 2132 CP

21 (12/9) digits for coding and price marking

Label format: 25 x 19, 32 x 19 mm

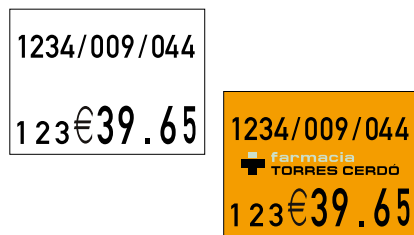

Height of the digits: UL: 3.0 mm

LL: 3.0 / 5.0 mm

Height of preprint: 5.0 mm

Art. no.: 9446703

Quantity per unit: 1

Example: tool print / preprint

EAGLE L 2132 IP

21 (12/9) digits for coding and price marking

Label format: 25 x 19, 32 x 19 mm

Height of the digits: UL: 3.0 mm

LL: 3.0 / 5.0 mm

Height of preprint: 4.0 mm

Art. no.: 9463329

Quantity per unit: 1

Example: tool print / preprint

EAGLE L 2132 UPM CP

21 (12/9) digits for coding, price marking

and basic price (unit price marking)

Label format: 25 x 19, 32 x 19 mm

Height of the digits: UL: 3.0 mm

LL: 3.0 / 5.0 mm

Height of preprint: 1,5 / 5.0 mm

Art. no.: 9455071

Quantity per unit: 1

Example: tool print / preprint

EAGLE L 2132 UPM IP

21 (12/9) digits for coding, price marking

and basic price (unit price marking)

Label format: 25 x 19, 32 x 19 mm

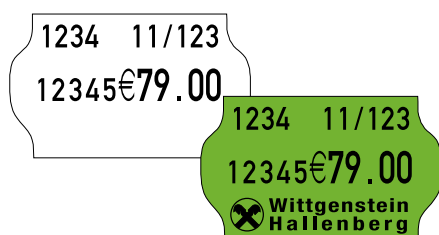

Height of the digits: UL: 3.0 mm

LL: 3.0 / 5.0 mm

Height of preprint: 4.0 mm

Art. no.: 9455077

Quantity per unit: 1

Example: tool print / preprint

EAGLE L 2332 CP

23 (12/11) digits for coding and price marking

Label format: 25 x 19, 32 x 19 mm

Height of the digits: UL: 3.0 mm

LL: 3.0 / 4.3 mm

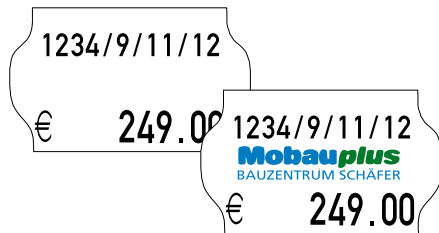

Height of preprint: 5.0 mm

Art. no.: 9446700

Quantity per unit: 1

Our handlabeler are also available with other currency signs and in individual device combinations.

METO EAGLE L

Example: tool print / preprint

EAGLE L 2332 IP

23 (12/11) digits for coding and price marking

Label format: 25 x 19, 32 x 19 mm

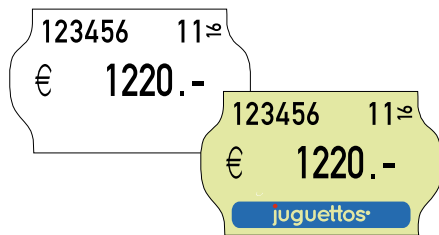

Height of the digits: UL: 3.0 mm

LL: 3.0 / 4.3 mm

Height of preprint: 4.0 mm

Art. no.: 9455074

Quantity per unit: 1

Example: tool print / preprint

EAGLE L 2332 DT CP

23 (12/11) digits for coding, date coding and price marking

Label format: 25 x 19, 32 x 19 mm

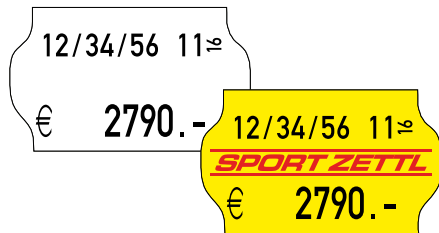

Height of the digits: UL: 3.0 mm

LL: 4.3 mm

Height of preprint: 5.0 mm

Art. no.: 9455100

Quantity per unit: 1

Example: tool print / preprint

EAGLE L 2332 DT IP

23 (12/11) digits for coding, date coding and price marking

Label format: 25 x 19, 32 x 19 mm

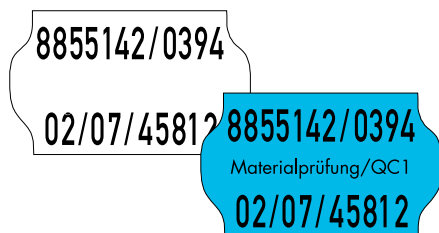

Height of the digits: UL: 3.0 mm

LL: 4.3 mm

Height of preprint: 4.0 mm

Art. no.: 9466066

Quantity per unit: 1

Examples: tool print / preprint

EAGLE L 2332 Industry

23 (12/11) digits for industrial labeling or coding

Label format: 25 x 19, 32 x 19 mm

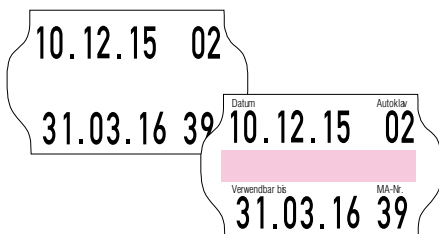

Height of the digits: UL: 4.3 mm

LL: 4.3 mm

Height of preprint: 4.0 mm

Art. no.: 9455105

Quantity per unit: 1

Examples: tool print / preprint

Our handlabeler are also available with other currency signs and in individual device combinations.

METO EAGLE XL

Example: tool print / preprint

EAGLE XL 729/20

7 digits for price marking
Label format: 29 x 20 mm

Height of the digits: 5.7 mm
Height of preprint: 8.0 mm

Art. no.: on request

Quantity per unit: 1

Example: tool print / preprint

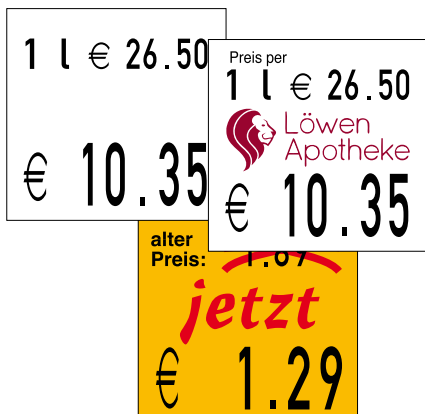

EAGLE XL 729/28

7 digits for price marking
Label format: 29 x 28 mm

Height of the digits: 8.3 mm
Height of preprint: 14.0 mm

Art. no.: 9445535

Quantity per unit: 1

Example: tool print / preprint

EAGLE XL 1829 UPM

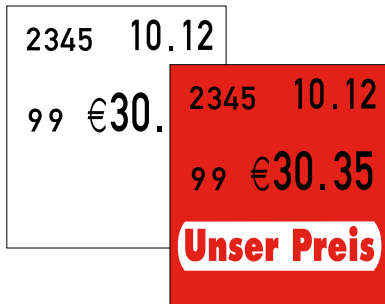

18 (11/7) digits for price marking and
basic price (unit price marking)
Label format: 29 x 28 mm

Height of the digits: UL: 4.0 mm
LL: 8.3 mm
Height of preprint: 1.0/7.0 mm

Art. no.: 9445760

Quantity per unit: 1

METO EAGLE XL

Example: tool print / preprint

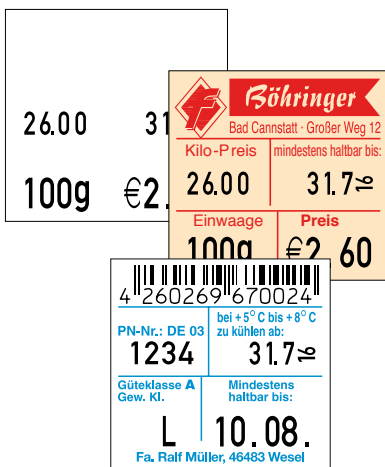

EAGLE XL 2029

20 (11/9) digits for coding, price marking and basic price (unit price marking)
Label format: 29 x 32 mm

Height of the digits: UL: 4.3 mm
LL: 3.0/5.0 mm
Height of preprint: 4.0/14.0 mm

Art. no.: 9455469

Quantity per unit: 1

Example: tool print / preprint

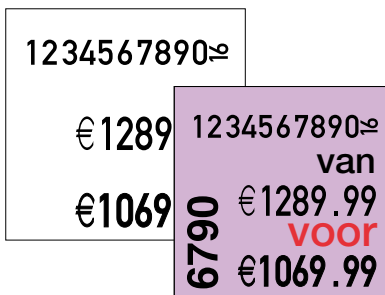

EAGLE XL 2229 FIR*

22 (11/11) digits for coding, labeling in accordance with legal requirements
Label format: 29 x 28 mm

Height of the digits: 3.0/4.0 mm
Height of preprint: 10.0/3.0 mm

Art. no.: 9455461

Quantity per unit: 1

Example: tool print / preprint

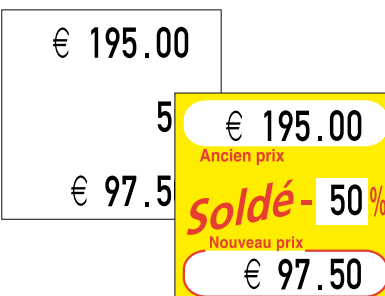

EAGLE XL 2929 CPM**

29 (11/9/9) digits for coding or for price comparisons (CPM)
Label format: 29 x 28 mm

Height of the digits: 3.0/4.0/4.3 mm
Height of preprint: 2.5/3.5/3.5 mm
(depending on printhead position)

Art. no.: 9455454

Quantity per unit: 1

Example: tool print / preprint

EAGLE XL 3329 3x11

33 (11/11/11) digits for coding and price marking
Label format: 29 x 28 mm

Height of the digits: 4.0/4.0/4.0 mm
Height of preprint: 3.5/3.5 mm

Art. no.: 9454769

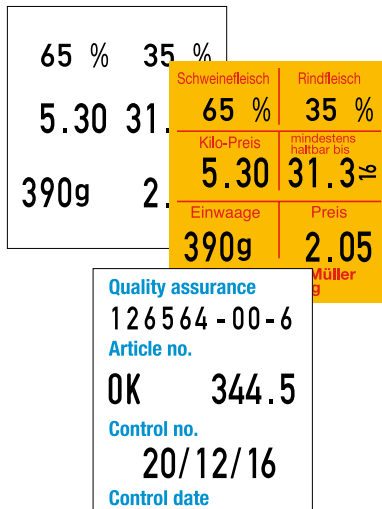

Quantity per unit: 1

*FIR = Food Information Regulation

**CPM = Comparison price marking

Our handlabeler are also available with other currency signs and in individual device combinations.

METO EAGLE XL

Example: tool print / preprint

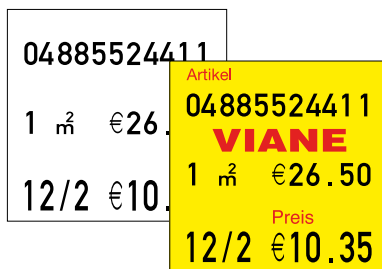

EAGLE XL 3329 3/4/4 FIR

33 (11/11/11) for coding, labeling in accordance with legal requirements
Label format: 29 x 32 mm

Height of the digits: 3.0/4.0/4.0 mm
Height of preprint: 1.5/3.5/3.5/4.0 mm
(depending on printhead position)

Art. no.: 9455440

Quantity per unit: 1

Example: tool print / preprint

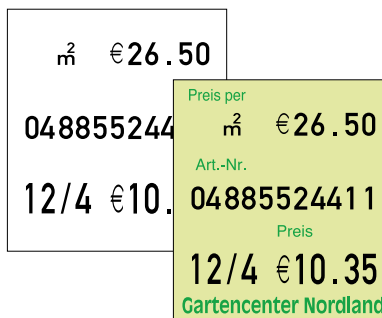

EAGLE XL 3329/28 UPM

33 (11/11/11) digits for price marking and basic price (unit price marking)
Label format: 29 x 28 mm

Height of the digits: 3.0/3.0/4.0 mm
Height of preprint: 1.5/4.5/3.5/4.0 mm
(depending on printhead position)

Art. no.: 9455444

Quantity per unit: 1

Example: tool print / preprint

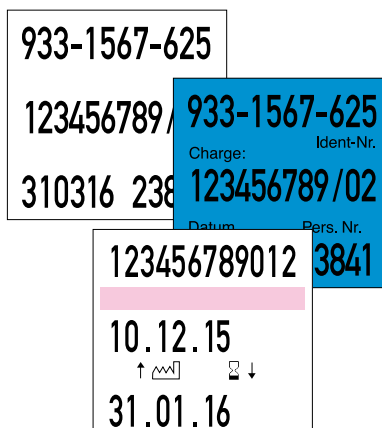

EAGLE XL 3329/32 UPM

33 (11/11/11) digits for price marking and basic price (unit price marking)
Label format: 29 x 32 mm

Height of the digits: 3.0/3.0/4.0 mm
Height of preprint: 1.0/4.5/3.5/4.0 mm
(depending on printhead position)

Art. no.: 9455448

Quantity per unit: 1

Example: tool print / preprint

EAGLE XL 3629 Industry

36 (12/12/12) digits for industrial labeling
Label format: 29 x 28 mm

Height of the digits: 4.3/4.3/4.3 mm
Height of preprint: 3.5/3.5 mm

Art. no.: 9447202

Quantity per unit: 1

METO®

LABEL COLORS

STANDARD LABEL AND PRE-PRINT COLORS

Preprint colors on white background

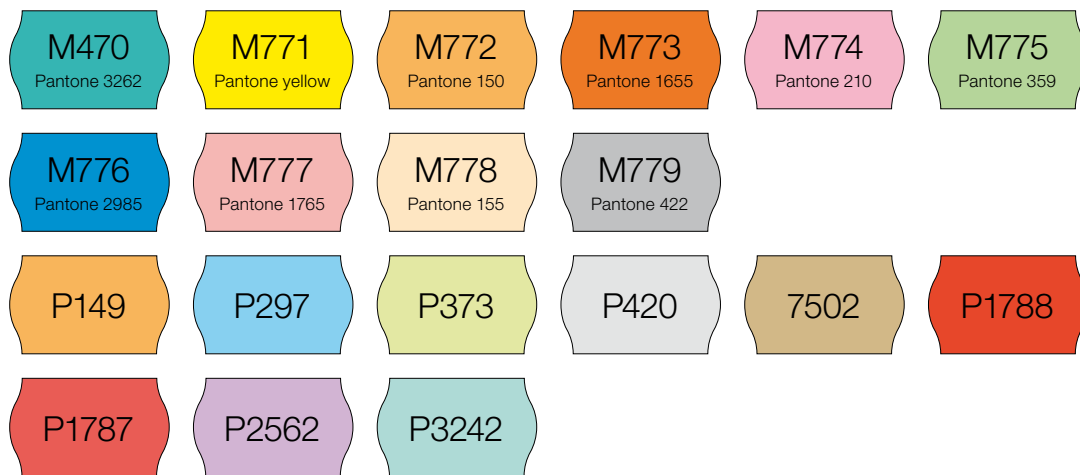

Preprint colors on fluorescent background

Preprint colors may appear visually different on other label background colors.

Label background colors

Label background colors, fluorescent

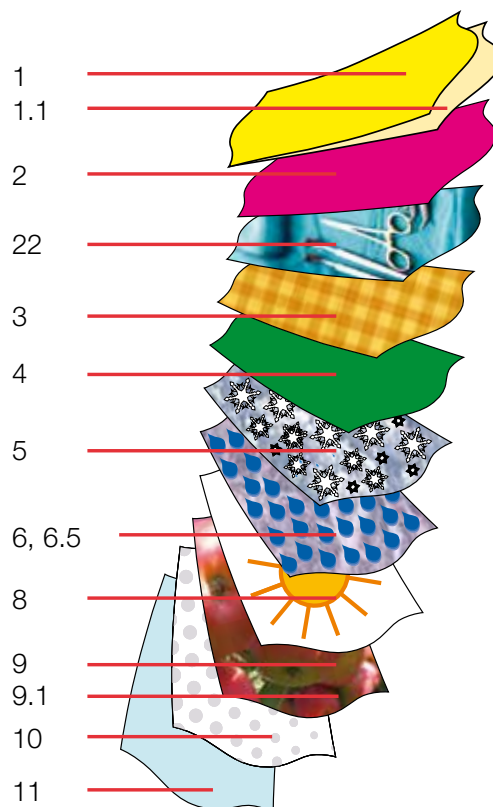

In addition to the here shown standard colors, we also realise your special company color according to the Pantone color guide.

The print colors shown here are not binding.

Please refer to our METO color chart for the original label and pre-print colors.

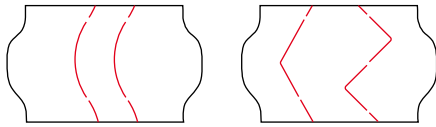

ADHESIVES

Adhesive 1	Removable, partly gummed
Adhesive 1.1	Removable, fully gummed
Adhesive 2	Permanent Standard
Adhesive 22	Permanent Steri, special gum for sterilisation labels
Adhesive 3	Permanent Soft, textile application (for light fabrics and lining materials)
Adhesive 4	Permanent Plus, stronger adhesive effect than Adhesive 2
Adhesive 5	Permanent Cool, for cooling and deep-freeze applications
Adhesive 6, 6.5	Permanent Special, water-removable
Adhesive 8	Permanent Super, water-resistant, weather-proof, strong adhesive effect (for plastic labels)
Adhesive 9	Permanent Food, for direct contact with slightly greasy foods (paper label)
Adhesive 9.1	Permanent Food, for direct contact with slightly greasy or waxed foods (plastic label, PP)
Adhesive 10	Permanent Dissolving (label and adhesive dissolve completely in water)
Adhesive 11	Permanent / removable, strong adhesive effect (only for PE, PP labels)

CUTS / PERFORATIONS

CUTS / PERFORATIONS

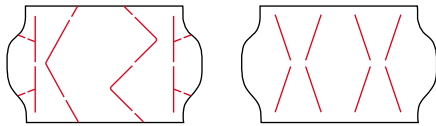

Security cut

Zig-zag security cut

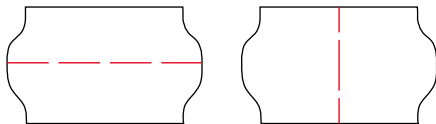

Security cuts

Security cuts protects pre-labelling by customers. The security cut destroys the label.

SuperSafe

V-cut

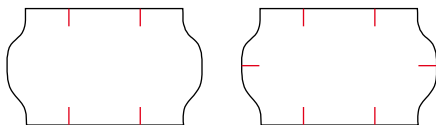

Horizontal perforation

Vertical perforation

Perforations

Perforations are important in combination with partly gummed labels, where one part has to be removed.

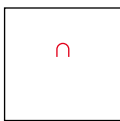

4-relax cut

6-relax cut

Relax cuts

Relax cuts guarantees the optimum on adhesion on curved surfaces.

Cartex-cut

Cartex-cut

This cut allows the shooting of Cartex hang tags (coated plastic labels without adhesive) using swifttags.

CUSTOMER FLOW MANAGEMENT

TURN-O-MATIC CLASSIC & ACCESSORIES

Customers remember good service

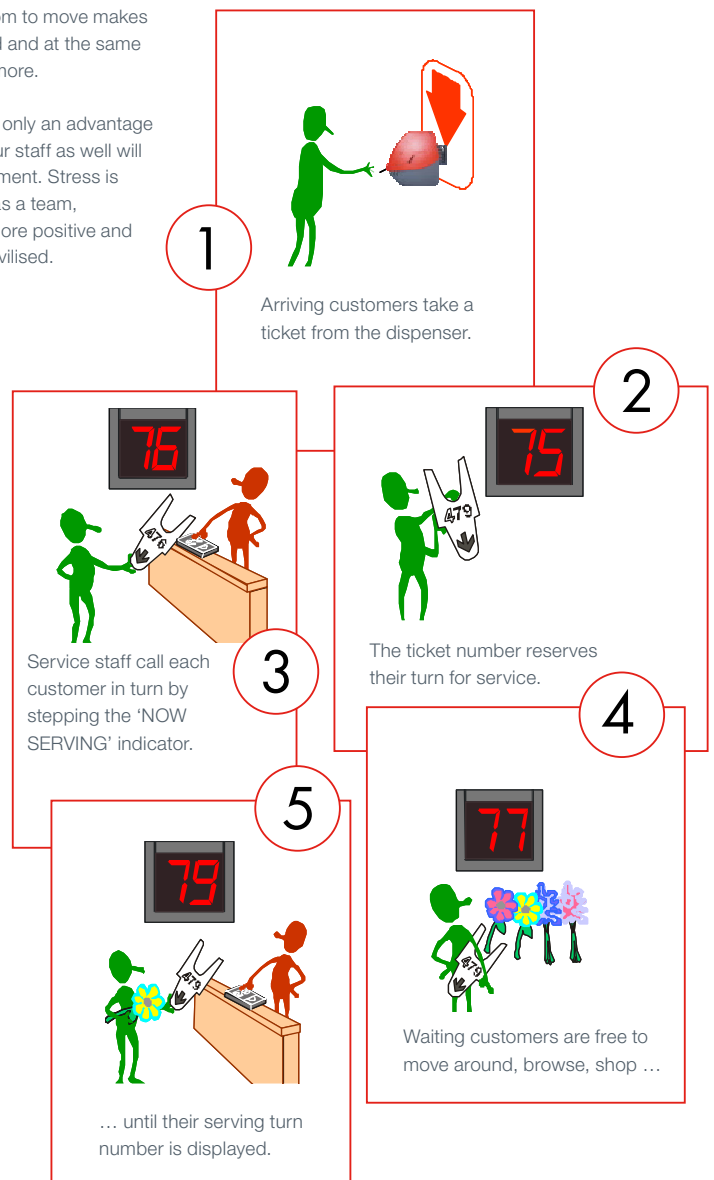

Have you ever wondered why customers return to the same places, even though they may offer the same products at a higher price?

The answer is Customer Service!

Using TURN-O-MATIC® means that customers will be served in the right order but can walk around while they are waiting.

When customers are taking a number from a queuing system they feel more fairly treated and they get the feeling that service is more efficient. Giving them the freedom to move makes them feel less stressed and at the same time they tend to buy more.

TURN-O-MATIC is not only an advantage to your customers. Your staff as well will benefit from the investment. Stress is reduced, work better as a team, Customer contact is more positive and customers are more civilised.

TURN-O-MATIC CLASSIC & ACCESSORIES

START pack S32 RF

HAPPYORNOT

HappyOrNot – Customer Satisfaction Analysis

A specific question for the customer, four self-explanatory smiley buttons for spontaneous replies, a wireless device at the desired spot and all the results swiftly evaluated – the simple way to measure customer satisfaction! HappyOrNot is a mobile service device to promote lasting customer loyalty which can be deployed wherever customers come into contact with a product, an offer, a service or a new item. Asking customers a readily comprehensive question here and offering them a straightforward, anonymous means of responding directly yields important information on buying behaviour. A crucial aspect is the fact that HappyOrNot evaluates these data on a daily basis and transmits the results to the client at a defined time, enabling swift action to be taken as necessary. This provides chain store companies in particular with an effective means of avoiding declines in sales, losses of customers, uncertainty or dissatisfaction while offering an ideal instrument to support change processes or market launches. At the same time, customers feel that they are being taken seriously and that their custom and opinions are appreciated. This establishes closer ties with customers and improves customer satisfaction, leading in the long term to stable or improved sales.

Who benefits from HappyOrNot?

HappyOrNot is suitable for all areas of business in which it is important to know customers' opinions. As an ideal customer barometer, it remains in direct contact with customers throughout the opening hours of chain stores, retail outlets, service companies or catering establishments, its wireless design enabling it to be deployed wherever appropriate. There's no faster way of gathering and evaluating customers' views.

Technical data

- Console color: cream white; stand with base: aluminium grey
- Dimensions incl. question display: 144 x 47 x 20 cm (H/W/D)
Total weight: 14.0 kg
- Display for DIN A3 landscape format included; questions simple to formulate with PC
- Internal energy source for mobile use (D-cell batteries, running time approx. 2 years) and wireless data transfer method
- Automatic daily reporting service for collected data, web-based or by e-mail
- Individualised analyses and reports according to task area and management levels
- GSM Frequency Band: Quadband 850/900/1800/1900 MHz

How it works

- The devices are installed at the desired service points
- The customer answers the questions voluntarily, anonymously and spontaneously
- Data transfer and evaluation take place on a daily basis
- Corresponding daily reports are supplied to the client by e-mail or online

HAPPYORNOT

Advantages

- Simple and clearly comprehensible operation
- Company-wide data collection for enhanced service quality
- Improved customer satisfaction and customer loyalty
- Increased staff motivation
- Strengthened market position and higher revenue possible
- Improved image

How satisfied are customers with the availability of products ?

- 😊 Whatever segment HappyOrNot may be deployed in, product availability is always an important matter from the customer's point of view. And only satisfied customers will return.

How competent and efficient is the service ?

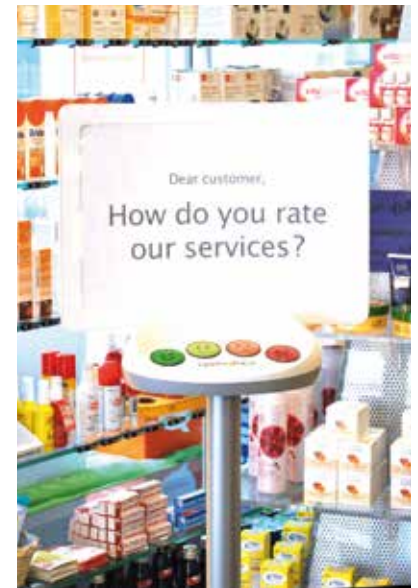

- 😊 Quickly uncover possible failings in service quality – a key factor when it comes to customer satisfaction. HappyOrNot reveals precisely where and when improvements are required – whatever your field of business.

Is the new product a hit ?

- 😊 HappyOrNot measures the acceptance of all types of products – from apples to automobiles. Whatever new items the client introduces, HappyOrNot provides for well-aimed and professional market implementation.

METO MERCHANDISING SOLUTIONS – PRICE ADJUSTMENTS AND SPONTANEOUS PROMOTIONS THE EASY WAY

The shopping environment is crucial to successful selling. Do you offer your customers a congenial atmosphere? Are they able to find what they need quickly? Is their attention drawn to product offerings which might interest them? Customers want clear guidance in an appealing environment: The shopping experience is a key factor that either helps or hurts a store.

Our store-level communication products offer comprehensive solutions to help you design your sales premises in a manner conducive to boosting your profits. We offer solutions for making profitable your sales area while meeting legal labeling requirements (FIR).

Universal clip & card holder

Application: Universal clip to fix price cards.

Description ■ Art. no.: Color: white ■ Art. no.: Color: black

Universal clip	8316049	9211564
Card holder	8316042	9008342

Material: POM

Quantity per unit: 25

Card holder

Application: Holder for price cards.

■ Art. no.: 8311775

Material: PVC
Color: Transparent

Quantity per unit: 10

PRICE CARDS FIXINGS

Multi-Clip UC 50

Application: Clamp, 50 mm width, for universal fixing of price cards.

■ Art. no.: 9116287

Material: Polycarbonate
Color: Transparent
Height: 75 mm
Width: 50 mm

Quantity per unit: 10

Multi-Clip UC 20

Application: Clamp, 20 mm width, for universal fixing of price cards.

■ Art. no.: 9129998

Material: Polycarbonat
Color: Transparent
Height: 72 mm
Width: 27 mm

Quantity per unit: 30

Card clip adaptor

Application: To connect price cards to several PromoSign / PromoLabel fixings as follow on pages 65, 66.

■ Art. no.: 9479200

Material: Polypropylen
Color: Transparent

Quantity per unit: 25

Individual stand

Application: To be used in service counters (delicatessen, meat, cheese etc.) in combination with card clip adaptor (Art. no. 9479200).

■ Art. no.: | Height bottom edge price card

8327200 | 5 cm

8327201 | 10 cm

8328007 | 15 cm

Material: PC
Color: Transparent

Quantity per unit: 25

Individual stand with information on the back

Application: For the insertion of sales information in the back of the stand in combination with card clip adaptor (Art. no. 9479200).

■ Art. no. 8327210

Maße: 47 x 63 mm / Text insert 40 x 60 mm
Material: PP
Color: Transparent

Quantity per unit: 25

PRICE CARDS FIXINGS

Universal stand for price cards

Application: Transparent stand for service counters in combination with card clip adaptor (Art. no. 9479200).

■ Art. no.: 9465799

Size: 70 x 54 mm / 98 x 54 mm

Material: Styrolux

Color: Transparent

Quantity per unit: 25

Ice spit for Promolabelaqua

Application: Semi-transparent accessory spit to fix price cards in crushed ice (service counters) in combination with card clip adaptor (Art. no. 9479200).

■ Art. no.: 9470845

Length: 175 mm

Material: PC

Quantity per unit: 25

Acrylic stands for price cards

Application: Acrylic stands, especially designed to place between meat trays with slated edges in combination with card clip adaptor (Art. no. 9479200).

■ Art. no.: | Height

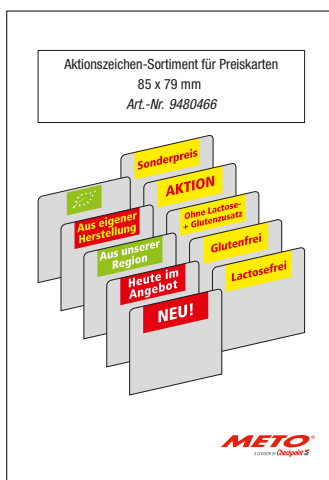

9483406 | 5 cm

Color: Transparent

Quantity per unit: 25

Special offer sign range for price cards

Photo: German-language version.

Application: Special offer signs to attach on the back of price cards.

■ Art. no.: 9480466

Format: 85 x 79 mm

Material: PVC, 0,3 mm

Quantity per unit: 10 signs per 12 pieces

FIXING SOLUTIONS

DECOLINE SUSPENSION TUBE

DecoLine suspension tubes: light, sturdy and usable anywhere – your ideal fixing solution

Suspension tubes from METO deliver what they promise. They offer the ideal foundation for the effective sales promotion labeling of merchandise in your store. There is also an extensive range of accessories available for practically all multifunctional fixture system requirements.

Your benefits

- Your price signage and special offer information can be placed right with the merchandise.
- Suspension tubes are simple to install since the accessories can be easily inserted.
- Thanks to the use of sturdy lightweight materials, even larger constructions can be created without difficulty.
- In combination with the extensive range of accessories, these suspension tubes allow you to make your design concepts reality.
- A wide range of Colors is available to create an elegant look in your store.

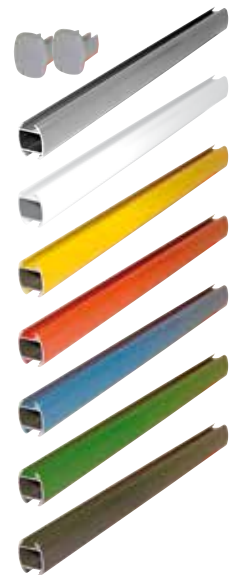

Suspension tubes

Application: Light, sturdy aluminium suspension profiles with two grey end caps for suspending price displays, frames etc. Can be used in combination with PVC position rails and hooks for suspension rails.

Art. no.:	Color
9114263	silver, anodised

Quantity per unit: 1

DECOLINE SUSPENSION TUBE ACCESSORIES

DECOLINE SUSPENSION TUBE ACCESSORIES

Suspension hooks for suspension tubes

Application: Plastic hooks to be inserted into the aluminium profiles. For hanging aluminium profiles; can be slid along the profile.

- Art. no.: 9114266 (25 pieces per unit)
- Art. no.: 9178365 (10 pieces per unit)

Material: Polycarbonate
Color: Transparent
Length: 20 mm

Eco connector for suspension tubes

Application: Plastic connector to be inserted into the aluminium profiles. Allows the connection of two aluminium profiles. Plug-in connection, no screws required. Not visible from the outside.

- Art. no.: 9178369

Material: PA and GF
Color: Grey RAL 7005
Length: 160 mm

Quantity per unit: 10

Corner connector for suspension tubes

Application: Plastic connector to be inserted into the aluminium profiles. Allows the connection of two aluminium profiles. Plug-in connection, no screws required.

- Art. no.: 9410482

Material: PA and GF
Color: Grey RAL 7005
Length: 73.5 mm

Quantity per unit: 2

DECOLINE SUSPENSION TUBE ACCESSORIES

Cross connector for suspension tubes

Application: Plastic connector to be inserted into the aluminium profiles. Allows the connection of four aluminium profiles. Plug-in connection, no screws required.

■ Art. no.: 9410484

Material: PA and GF
Color: Grey RAL 7005
Length: 145.5 mm

Quantity per unit: 2

T-connector for suspension tubes

Application: Plastic connector to be inserted into the aluminium profiles. Allows the connection of 3 aluminium profiles. Plug-in connection, no screws required.

■ Art. no.: 9410483

Material: PA and GF
Color: Grey RAL 7005
Length: 145.5 mm

Quantity per unit: 2

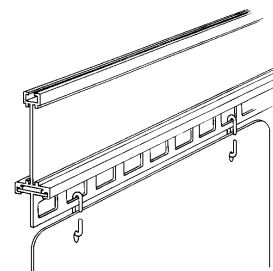

Position rail suspension tube, suspension rail & PosterLine

Application: Perforated plastic profile. Can be used in combination with suspension rails, suspension tubes and PosterLine. For exact positioning of poster mounts, price displays, frames etc. above the goods.

■ Art. no.: 9113995

Material: PVC
Color: Transparent
Length: 200 cm

Quantity per unit: 5

SUSPENSION RAIL & ACCESSORIES

Suspension rail

Application: Aluminium profile with two end-caps. For suspending posters, price displays, frames, etc. from ceilings. Suitable for hanging heavy displays.

■ Art. no.: 8310600

Material: Aluminium
Color: Silver, anodised
Length: 200 cm

Allows the insertion of shelf strips (39 mm)

Quantity per unit: 1

Suspension rail connector

Application: Allows the connection of two suspension rails.

■ Art. no.: 8310622

Material: Aluminium
Color: Silver, anodised

Quantity per unit: 1

Hooks for suspension rails / tubes and PosterLine

Application: For hanging poster mounts, price displays, frames etc. Accessories for suspension rails, suspension tubes and PosterLine.

■ Art. no.: 8310695

Material: Polycarbonate
Color: Transparent

Quantity per unit: 25

POSTERLINE & ACCESSORIES

PosterLine

Application: Light profile for attachment to walls or suspension from the ceiling for the display of price or information posters in formats ranging from DIN A5 portrait to DIN A3 landscape. Extruded polystyrene profile in standard Color grey RAL 7035 (customised Colors on request) for the simple and professional display of posters, packed in a polythene bag with cardboard edge-protectors, including fitting instructions.

Art. no.:	Description	Length	Quantity per unit
9008028	PosterLine DIN A5	2 m	2
9004475	PosterLine DIN A4	2 m	2

Material: Polystyrene (PS), suitable for indoor use only
Color: Light grey RAL 7035 (other Colors on request)

Posterline end caps

Application: For PosterLine DIN A5 and A4.

Art. no.:	Format	Quantity per unit
9135765	DIN A5	4
9135764	DIN A4	4

METO[®]

METO headquarter Hirschhorn/Neckar · Production, management, warehouse

METO®, a business unit of CCL Industries Inc., offers the global retail sector a great variety of innovative and highly cost-efficient labeling and sales promotion solutions. These include in-store communication and advertising, shelf management, merchandise identification and labeling and shopping convenience.

Over the past 55 years, METO has invented an ongoing succession of sales promotion and merchandise labeling solutions which define today's standard practice in the retail sector. METO develops solutions which are easy to handle and set up. As such, these solutions meet the requirements of a retail sector which faces constant change and which operates according to the motto: time is money. Solutions from METO help to ensure effective communications in all areas from pricing through advertising to information on product origin, use-by dates or other details which play a role in the sale of merchandise.

METO combines quality with durability and inspires retailers to communicate with their customers in an effective manner.

METO's success is due in part to its close cooperation with retailers, service providers and industry. These partnerships enable us to continue developing innovative concepts for our customers.
